## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-27 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The limitations of independent claims 1, 11, and 20 do not appear to be found in the Prior Art of Record. The Prior Art does not teach a plurality of **encapsulated** RAID modules where encapsulation provides for modules with input and outputs that are not fixed to any particular device. Additionally, the Prior Art of Record does not teach the source of the input commands being transparent to the modules.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
